Mama Forgive Me

Porcelain Black

Please mama forgive me
'cause I'm breakin' all the rules tonight
Please mama forgive me
he's so wrong but he loves me so rightTrouble's always gonna find me some way
And I don't even know how
'Cause it's the way he puts a grin on my face
The way he's using his mouthHe's tatted up
All or nothing
Thunderstruck
High on something
He's smoking hot and got me puffin
PuffinPlease mama forgive me
'cause I'm breakin' all the rules tonight
oh oh oh
Please mama forgive me
he's so wrong but he loves me so rightHe's a bad bad boy
I'm a bad bad girl
and we're gettin' bad tonight
oh oh oh
Please mama forgive me
'cause I'm breakin' all the rules tonight
tonightNaughty naughty naughty, teasin' my brain
Boy, I'm thinkin' out loud
What the fuck I'm gonna do it again
'cause theres no turning back nowHe's tatted up
All or nothing
Thunderstruck
High on something
He's smoking hot and got me puffin
PuffinPlease mama forgive me
'cause I'm breakin' all the rules tonight
oh oh oh
Please mama forgive me
he's so wrong but he loves me so rightHe's a bad bad boy
I'm a bad bad girl
and we're gettin' bad tonight
oh oh oh
Please mama forgive me
'cause I'm breaking all the rules tonight

tonightPlease mama hear me out before I sleep tonight
Please mama hear me out he's just a wild child
Please mama hear me out I am a big girl now
Please mama hear me outPlease mama forgive me
'cause I'm breakin' all the rules tonight
Please mama forgive me
he's so wrong but he loves me so rightPlease mama forgive me
'cause I'm breakin' all the rules tonight
oh oh oh
Please mama forgive me
he's so wrong but he loves me so rightHe's a bad bad boy
I'm a bad bad girl
and we're gettin' bad tonight
oh oh oh
Please mama forgive me
'cause I'm breakin' all the rules tonight
tonight
