

Christmas With My Baby

All 4 One

i've been gone away from home for too long
and it's drivin' me crazy
'cause i'm missin my baby
i call her on the phone every day
just to say
even though we're apart
baby you're always in my heart
i can't wait to see my baby
smilin' right at me
i just wanna kiss her
ooo, i really miss her
and everything will be fine with me
once i get to see
my baby baby at christmas timei just can't wait to spend
christmas with my baby
just seeing you again
holding you so gently
we're playing in the snow
just havin' a great day
i wanna be with you for christmasnow that christmas time is here
filled with cheer
my heart is beating so fast
i don't know if i can last
excitement's building up in me
i'm shaking
i've got a present for you
and girl you'll get it sooni can't wait to see
my baby smiling right at me
i just wanna kiss her
ooo, i really miss her
and everything will be fine with me
once i get to see
my baby baby at christmas timeand i just can't wait to spend
christmas with my baby
just seein' you again
holding you so gently
sittin' by the fireplace
just havin' a great day
i wanna be with you for christmasi just can't wait to spend

christmas with my baby
with you in my arms again
holding you so gently
let's decorate the christmas tree
just havin' a great day
i wanna be with you for christmasi just can't wait to spend
just seeing you again
we're playing in the snow
i wanna be with you for christmasi just can't wait to spend
christmas with my baby
just seeing you again
holding you so gently
we're playing in the snow
just havin' a great day
i wanna be with you for christmas...i just can't wait to spend
christmas with my baby
kissing under mistletoe
christmas with my baby
playing in the snow
christmas with my baby
i wanna be with you for christmasi want to be with you baby
christmas with my baby
playin in the snow
christmas with my baby
kissing under mistletoe
christmas with my baby
i wanna be with you for christmaschristmas, christmas
christmas with my baby
christmas, holding you so gently
playin' in the snow
just havin' a great day
i wanna be with you for christmas
