Dirty Black Summer

Danzig

Summer in the winter time
Will keep you warm like a funeral pyre
And nothing like an August night
Drenched in your loving
I got a dirty black summer
Yeah, my dirty black summer
Yeah, give me black summer
Yeah, my dirty black summer
And nothing in the coolest light
Can stop the walking out across the line
No holding back the summer night
I got a feeling
It's just a dirty black summer
A black summer time
Dirty black summer
Yeah, my dirty black summer
Yeah, give me black summer
Yeah, my dirty black summer
Yeah, come on baby
Dirty black summer

Yeah, my dirty black summer
Come on give me black summer time
Yeah, my dirty black summer
No summer in the winter time
Will keep you warm like a funeral pyre
And nothing like an August night
I got a feeling
I'm on a dirty black summer
Yeah, my summer time
Yeah, my summer time
Yeah, my summer time
My dirty black summer
Yeah, my dirty black summer
Yeah, give me black summer
Yeah, my dirty black summer
Yeah, give me black summer time
Yeah, my dirty black summer
Yeah, give me black summer

Yeah, my dirty black summer, yeah
