EAT YOU UP

Konami

When I first saw you I knew nothing's like it used to be
Boy, you have got to be the finest thing in history
The way I feel inside is just so hard to understand
You feed my appetite in ways I can't explainI'll eat you up, your love, your love
I'll eat you up, your love, your love
I'll eat you up, so yum yum
Can't get enough, I think I'm in loveIf you move any closer, boy, there is no guarantee
What I will do to you I fear it and it's scaring me
Like I've become some kind of demon in the night
You look so tasty, I could eat you up aliveI'll eat you up, your love, your love
I'll eat you up, your love, your love
I'll eat you up, so yum yum
Can't get enough, I think I'm in loveI'll eat you up, your love, your love
I'll eat you up, your love, your love
I'll eat you up, so yum yum
Can't get enough, I think I'm in loveCan't stop thinking 'bout the things I wanna do to you
If you move any closer you'd be asking for it too
I want your love, I need your touch
So much I think I'm in loveI'll eat you up, your love, your love
I'll eat you up, so yum yum
Can't get enough, I think I'm in loveI wanna take you to my room
I'll eat you up
Wanna take you to my room
I'll eat you up, so yum yum
Can't get enough, I think I'm in loveI'll eat you up
I'll eat you up
I'll eat you up
I'll eat you upI'll eat you up
I'll eat you up
I'll eat you up
