Tear Us Apart

Ghost Beach

Don't say to me that you got even
Don't say to me I let you go
So stand away and I'll put my hand on your arm
When I got my shit down and I'm ready to start
I can paint my picture in the vein of your heartYeah, what's tearing us apart is keeping us together
Yeah, it's tearing us apart and keeping us togetherLove you say to me, that we all feel it when we're seventeen but
Oh just let me be, 'cause I've got pain painted in me
And I cut my scissor and I'm ready to start
I can paint my picture in the vein of your heart
Yeah, what's tearing us apart is keeping us together
Yeah, it's tearing us apart and keeping us together
