

Reign

Kurt Carr

You are greater than the universe
More powerful than the sea
You are fairer than ten thousand
No one compares to theeThe Omnipotent Sovereign
Stronger than a million men
Your Kingdom glorious, victorious
Will never ever endReign, Jesus reign
Be Thou glorified above this earthly plain
Son of God and oh so good
In majesty Your kingdom will forever reignYou are glorious in life
Victorious in death
And I live to sing Your praise
Till I exhale my final breathAnd may I soar beyond the sky
And see Your face with my own eyes
In my eternal home around the throne
I'll offer up this songReign, Jesus reign
Be Thou glorified above this earthly plain
Son of God and oh so good
In majesty Your kingdom will forever reignAll hail, all hail the power of Jesus' name
Let angels, let angels, let angels prostrate fallReign, Jesus reign
Be Thou glorified above this earthly plain
Son of God and oh so good
In majesty Your kingdom will forever reignVamp
Reign
Jesus,reign
ForeverVamp
Reign
Jesus,reign
ForeverAnd He shall reign forever and ever
Reign
