

It's Not the Same

Liam Bailey

Where does the time go?
Where will it end?
Seems like we are walking down these roads
For a while my friend
Morning please arise
Night time I do suffer Is not the same
When the years goin' by
It's not the same
When it's tears in your eyes
It's not the same when a boy got no home
Been done to 8 always shut you down to the bone
It's not the same road Oh
shouldn't have left you darling
I know that now
seems like the only road not sailed
is the way down
oh I, more I seem to be,
Oh I, more I seem to suffer it's not the same when the more you go by
it's not the same when it's tears to your eye
it's not the same when a boy got no home
been done to 8 and I shut you down to the bone
it's not the same road hey, yeah, hey, yeah
I know I do suffer it's not the same when a boy home
been done to 8 and I shut you down to the bone
it's not the same when you breaking all your bones
been done to 8 and I shut you down to the bone
been done to 8 and I shut you down to the bone
been done to 8 and I shut you down to the bone
it's not the same road
it's not the same road
I know it's not the same
Yeah it's not the same
