

# You Will Hate Me

## Blaqk Audio

I won't take you on a long ride  
Or buy you things you could never buy  
Sit with you in a new place,  
and feed you things you would never try  
Let you down but I'll do it slow

Ohhh

And they let you down,  
should have let you know

that oh,

you will hate me

I know,

you will hate me

Ohhh, Ohhh

I'd take you out

I'd take you out

but I know you'd hate me,

without a doubt,

I'd take you out

but I know you'd hate me, I know you'd hate me

Let me take you on a short ride

I will sing, you can sit and sigh  
You'd grab the break if I hit the gas

Ohhh

Been moving slow but you said, "that's way too fast"

Ohhh,

ohhh,

ohhh,

Oh

I'd take you out

I'd take you out

but I know you'd hate me,

without a doubt

I'd take you out

but I know you'd hate me, I know you'd hate me

I'd take you out

I'd take you out

but I know you'd hate me

more than I'd care

more than I'd care

more than I'd care

I'd take you out  
Without a doubt

but I know you'd hate me, I know you'd hate me

I'd take you out

I'd take you out  
but I know you'd hate me  
without a doubt  
I'd take you out  
but I know you'd hate me, I know you'd hate me  
I'd take you out  
I'd take you outbut I know you'd hate me,  
I know you'd hate me
