# Consummation

## Thad Jones

And now we are one
Let my soul rest in peace
At last it is done
My soul has been releasedFor thousands of years
My soul has roamed the earth
In search of you
So that someday I could give birthTo know joy, joy, joy, joy
Joy and peace is mine, peace divineAnd now we give thanks
Give thanks for each other
Peace forever, for it is done
At peace forever for we are one
