I'm No Fool

Gaskin

You build me up then you knock me down
I may be funny but I'm not your clown
You said you needed love so I took you in
But I'm not getting caught babe, I know where you've been
I'm no fool, I'm no fool

One minute you come on with those stars in your eyes
The next you're tryin' to bull me up with one of your lies
Now I'm the kind of guy that doesn't like being alone,
but getting treated like that I'd sooner stay on my own
I'm no fool, I'm no fool

I'm no fool, so don't you treat me like one
I'm no fool, so get out babe I've got things to be done

You say you'll see me then you never call
Now I don't think that's very nice at all
I wasted time thinking you'd be round
I know where it's at babe you're just messing around
I'm no fool, I'm no fool

I thought you were a woman but you act like a kid
But I don't need you girl you know I never did
You think you've got it all, yes you've really got form
You better think again you're just a port in the storm
I'm no fool, I'm no fool

I'm no fool, so don't you treat me like one
I'm no fool, so get out babe I've got things to be done
