

Spirit Moves

Langhorne Slim & The Law

Take, take my hand
And lets go where we need to be
And when we get there release me and set me free
The spirit moves
The spirit moves inside of me
The spirit moves
The spirit moves inside of me
I, I am tired
Oh tired and I am weak
But the love that's in my heart it can't be tamed, can't be beat
The spirit moves
The spirit moves inside of me
The spirit moves
The spirit moves inside of me
Look into my eyes and lets go where we need to be
And when we get there release me and set me free
The spirit moves
The spirit moves inside of me
The spirit moves
The spirit moves inside of me
Take, take my hand and lets go where we need to be
The spirit moves
The spirit moves inside of me
The spirit moves
The spirit moves inside of me
