

# If I Had You

## Adam Lambert

So I got my boots on, got the right 'mount of leather  
And I'm doing me up with a black color liner  
And I'm workin' my strut but I know it don't matter  
All we need in this world is some love

There's a thin line 'tween the dark side and the light side baby tonight  
It's a struggle gotta rumble trying to find itBut if I had you, that would be the only thing I'd ever need  
Yeah if I had you, then money, fame and fortune never could compete

If I had you, life would be a party it'd be ecstasy  
Yeah, if I had you  
You y-y-y-y-you  
You y-y-y-y-you  
You y-y-y-y-you

If I had you.From New York to LA getting high rock n' rollin  
Get a room trash it up 'til it's ten in the morning  
Girls in stripper heels, boys rolling in Maseratis  
What they need in this world is some love

There's a thin line tween a wild time and a flat line baby tonight  
It's a struggle, gotta rumble tryin' to find itBut if I had you, that would be the only thing I'd ever need  
Yeah if I had you, then money, fame and fortune never could compete

If I had you, life would be a party it'd be ecstasy  
Yeah, if I had you  
You y-y-y-y-you  
You y-y-y-y-you  
You y-y-y-y-you

If I hadThe flashing of the lights  
It might feel so good  
But I've got you stuck on my mind, yeah!  
The fashion and the stage  
It might get me high

But it don't mean a thing tonightThat would be the only thing I'd ever need  
Yeah, if I had you, the money, fame and fortune never could compete

If I had you, life would be a party it'd be ecstasy  
Yeah, if I had you  
You-y-y-y-y-you  
You-y-y-y-y-you  
You-y-y-y-y-you

If I had youThat would be the only thing I'd ever need  
Yeah, if I had you, then money, fame and fortune never could compete (never could compete with you)  
If I had you, life would be a party it'd be ecstasy (it'd be ecstasy with you)

Yeah, if I had you  
You y-y-y-y-you  
You y-y-y-y-you  
You y-y-y-y-you  
If I had you
