Tribulation

Aphrodite's Child

Rough as the road might seem to be
I'll be toiling on home
I'll be myself and no one
I'll keep trodding onA man must go through tribulation
No matter who or where he's from
If he's a man of understanding
He then know that time alone will tellBut fools know not of understanding
That's why they stumble
Never going to their way, oh, yeah
For wisdom is hard for themA man must go through tribulation
No matter who or where he's from
If he's a man of understanding
He then know that time alone will tellBut fools know not of understanding
That's why they stumble
Never going to their way, oh, yeah
For wisdom is hard for themRough as the road might seem to be
I'll be toiling on home
I'll be myself and no one
I'll keep trodding onA man must go through tribulation
No matter who or where he's from
If he's a man of understanding
He then know that time alone will tellBut fools know not of understanding
That's why they stumble
Never going to their way, oh, yeah
For wisdom is hard for themA man must go through tribulation
No matter who or where he's from
If he's a man of understanding
He then know that time alone will tellBut fools know not of understanding
That's why they stumble
Never going to their way, oh, yeah
For wisdom is hard for them
