I got one verse to make you, see past the fro and the shoes, and feel the reason for the heatin up inside of this room, I'm like the messenger who, told you about the good newz,
And soon you downloadin this single I approve on I tunes,
And so you pick it up, move a little more and switch it up,
Take it to the floor and burn it up, wanna get it free so you burn it up that's what's up
It's all over, we shuttin them down , we shuttin them down
man-n-n-nipulation,man-n-n-nipulation, man-n-n-nipulation, man-n-n-nipulation
I ain't nothin butta messenga
Change my flow to connect witcha
You can feel this rhythm when it bump Play it loud until all the people come
Watch this beat, make you move like you crazy
So crazy it makes you freak
But you too busy watchin me (don't do that)
Cuz I ain't nothin butta messenga
Change my flow to connect witcha
Track so hot it'll mess witcha like
Simma simma ga ga get up

man-n-n-nipulation,man-n-n-nipulation, man-n-n-nipulation, man-n-n-nipulation

Gimme that drum & bass love
We bringing back back that beat watch the bass drop
We bringing back back that beat make ya body rock
It's all over, we shuttin them down, we shuttin them down
