Neon

Chris Young

The sky in Cheyenne Wyoming, is just about as blue as it gets
And if you ain't seen a Santa Fe sunset, you ain't seen red
Texas sunflower yellow, can take your breath away
I've seen it all; from the orange of the fall, to the green of the summer
But my favorite color is
Neon
The light they always leave on
The weekend on the rocks
An old-school jukebox with a little Johnny Lee on
The buzz I love to be on
You put a double on your troubles
A light at this end of the tunnel
Is neon
The sun can do the job in the daytime
But the moon ain't quite bright enough
To light up the way to playtime for people like us
Just like a beachside beacon, callin' all the ships back home

A few thousand boats to cut through the smoke
The windows are tinted, that's why they invented
Neon
The light they always leave on
The weekend on the rocks
An old-school jukebox with a little Johnny Lee on
It's the buzz I love to be on
You put a double on your troubles
A light at this end of the tunnel
Is always neon
You know I've seen it all; from the orange of the fall, to the green of the summer
But my favorite color is
Neon
The light they always leave on
Put a double on your troubles
A light at this end of the tunnel
Is neon
