Angel In the Dark

Laura Nyro

Angel
Of
My heart
Come back to me
Angel
Whoa
In the dark
So I can see
'Cause I can't live no more
Without an angel
Of love, so if you hearCome back to me, come back
Come back to me, come back
Answer my prayer
Come back to me, come back
Come back to me, come back
Answer my prayerAngel
Hear my song
Because the night's so long
Come back to me
I don't know how
I don't know where
I'll be dreamin' and on my feet
Again
'Cause I can't laugh no more
Without an angel
So if you're thereCome back to me, come back
Come back to me, come back
Answer my prayer
Come back to me, come back
Come back to me, come back
Answer my prayerAnswer my prayer
I can't laugh no more
Without an angel
So if you're thereCome back to me, come back
Come back to me, come back
Answer my prayer
AnswerCome back to me, come back
Come back to me, come back
Answer my prayerCome back to me, come back

Come back to me, come back
