Play The Game Boy

A*M*E

Ame, yeah!
Play the game boy, play the game, game, boy
Play the game boy, play the game, game, boy
Play the game boy, play the game, game, boy
Play the game boy, play the game, game, boy
I came to bring the heat, so hot
Girls keep on watching me, so what
I m gonna dance till the break of dawn
And for the rhythm as the beat goes on
I came to rock it out, that s right
Tonight I m going wild, that s right
I m gonna dance till the break of dawn
And for the rhythm as the beat goes on
You can t stop me now, or hold me down
I m calling you out, I m calling you out
Can t stop me now, or hold me down
I m calling you out, I m calling you out
Play the game boy, play the game, game, boy
Play the game boy, play the game, game, boy
Play the game boy, play the game, game, boy
Play the game boy, play the game, game, boy
I came to bust a move, oh yeah
I m breaking all the rules, who cares
I m baby watch me glow
I make it blow like Marylyn Monroe
I came to set it off, ok
The dancing never stops, no way
You gonna watch us all lose control
Get mama now watch me roll
You can t stop me now, or hold me down
I m calling you out, I m calling you outI m calling you out, I m calling you out
Play the game boy, play the game, game, boy
Play the game boy, play the game, game, boy
Play the game boy, play the game, game, boy
Play the game boy, play the game, game, boy
Boy I came here just to have a good time
You re staying in the corner tryina toy with my mind
I m hitting hard moves, getting rude on the dance floor
Talking to the dj, asking him for more and more

Asking him for more and more, asking him for more and more
Go and you can meet me on the floor
If you wanna take a shot, better show me what you got
Now you re the toy, go ahead and play the game boy
Go ahead and play the game boy
Play the game boy, play the game, game, boy
Play the game boy, play the game, game, boy
Play the game boy, play the game, game, boy
Play the game boy, play the game, game, boy
I m calling you out, I m calling you out
Play the game boy, play the game, game, boy
Play the game boy, play the game, game, boy
Play the game boy, play the game, game, boy
Play the game boy, play the game, game, boy
Play the game boy, play the game, game, boy
I m calling you out, I m calling you out
Play the game boy, play the game, game, boy.
