Stranger

Chris Malinchak

Baby, what's up?
What's the mystery alone?
'Cause I can't let it go, this feeling
I wanna be the one, wanna be the one you showSo let me be the stranger
Who you love for the very first time
And know the only danger
Is that I'm giving you all of my prideIs that I'm giving you all of my prideSo tell me what's missing
And where did all the good love go
'Cause I've been feeling so, so lonely
I wanna be the one, wanna be the one you showSo let me be the stranger
Who you love for the very first time
And know the only danger
Is that I'm giving you all of my prideIs that I'm giving you all of my prideCan you see my love into my eyes?
Can you see my love on the other side?So let me be the stranger
Who you love for the very first time
And know the only danger
Is that I'm giving you all of my prideCan you see my love into my eyes?
Can you see my love on the other side?
