

I Love Rock 'n' Roll

Britney Spears

Hey, is this thing on? I saw him dancing there by the record machine
I knew he must have been about 17
The beat was going strong, playing my favorite song
I could tell it wouldn't be long 'til he was with me, yeah with me
I could tell it wouldn't be long 'til he was with me, yeah with me, singin' I love rock 'n' roll
So put another dime in the jukebox, baby
I love rock 'n' roll
So come and take some time and dance with me, oh He smiled so I got up and asked for his name
"But that don't matter" he said "'cause it's all the same"
He said "can I take you home where we can be alone?"
And next we were movin' on and he was with me, yeah with me
And we were movin' and singin' the same old song, yeah with me singin' I love rock 'n' roll
So put another dime in the jukebox, baby
I love rock 'n' roll
So come and take some time and dance with me, oh I love rock 'n' roll, yeah
'Cause it soothes my soul
I love rock 'n' roll, yeah
He said "can I take you home where we can be alone?"
And next we were movin' on and he was with me, yeah with me
And we were movin' on and singing that same old song, yeah with me, singing I love rock 'n' roll
So put another dime in the jukebox, baby
I love rock 'n' roll
So come and take some time and dance with me I love rock 'n' roll (I love rock 'n' roll)
So put another dime in the jukebox, baby
I love rock 'n' roll
So come and take some time and dance with me
we are
I love rock 'n' roll (rock 'n' roll)
So put another dime in the jukebox, baby (dance with me)
I love rock 'n' roll
So come and take some time and dance with me I love rock 'n' roll (oh, oh, oh)
So put another dime in the jukebox, baby
I love rock 'n' roll
So come and take some time and dance with me I love rock 'n' roll (oh, oh, oh)
So put another dime in the jukebox, baby
I love rock 'n' roll
So come and take some time and dance with me (so come and take some time and dance with me)
