

# Help Me Make It Through The Night

[Leann Rimes](#)

Take the ribbon from your hair  
Shake it loose and let it fall  
Playing soft against your skin  
Like the shadows on the wall  
Come and lay down by my side  
Till the early morning light  
All I'm taking is your time  
Help me make it through the night  
I don't care if it's right or wrong  
I don't try to understand  
Let the devil take tomorrow

'Cause tonight I need a friend  
Yesterday is dead and gone  
And tomorrow's out of sight  
And it's sad to be alone  
Help me make it through the night  
Yesterday is dead and gone  
And tomorrow's out of sight  
I don't wanna be alone  
Help me make it through the night  
I don't wanna be alone  
Help me make it through the night
