

Don't Wait Too Long

Frank Sinatra

You are the summer and I am the autumn
Don't wait too long
Your song's beginning while mine's nearly sung
Don't wait too long Fall is a lovely time of the year
When leaves turn to golden brown
But soon fall is ending and winter is near
And the leaves start tumblin' down Why must the moments go by in such haste
Don't wait too long
Winter is coming, I've no time to waste
Don't wait too long So while my heart's gay and foolish
And free and still can sing its song
Share every precious moment with me
Don't you wait too long Don't wait too long
Don't wait too long So while my heart's gay and foolish
And free and still can sing its song
Share every precious moment with me
Don't you wait too long
