Hungover

Michelle Williams

Ladies and gentlemen
Report to the dancefloor, it's that time again
Let's rock
Let's rock
(It's crazy)
What keeps goin' through my mind
Somethin' is playin' with my head
(Crazy)
How I'm feelin' inside
I wish I could see you here instead
(Baby)
It's so fulfillin', oh
(The way you give it)
Intimidatin'
(But I)
I want more of it
I'm so tore up 'cause how you give it to me
Got me a sip of the hypnomatic
The kiss was the chaser and I ain't mad at it
Followed it up with a little touchin'
Then the next day I don't remember nothin'
Baby, I'm hungover
Dizzy 'cause you got to my head
Wish you were here instead
Hungover
Can't focus on what I got to do
Can't stop thinkin' 'bout you
Baby, I'm hungover
Can't even think about the song
The list goes on and on
Hungover
Baby, you got me twisted
Hungover
Baby, I'm so sick, baby I'm
(It's crazy)
What I felt the first time
Can't even find the words to say
(Crazy)
I think that I'm gonna try

'Cause I don't take you for granted, oh no
(Baby)
It's so fulfillin', oh
(The way you give it)
Intimidatin'
(But I)
I want more of it
So messed up 'cause how you give it to me
Got me a sip of the hypnomatic
The kiss was the chaser and I ain't mad at it
Followed it up with a little touchin'
Then the next day I don't remember nothin'
Baby, I'm hungover
Dizzy 'cause you got to my head
Wish you were here instead
Hungover
Can't focus on what I got to do
Can't stop thinkin' 'bout you
Baby, I'm hungover
Can't even think about the song
The list goes on and on
Hungover
Baby, you got me twisted
Hungover
Baby, I'm so sick, baby I'm
Dizzy out of my brain, I'm goin' insane
Can't maintain, I'm feelin' crazy
I want you, baby, I want you, baby, I want you, baby
Dizzy out of my brain, I'm goin' insane
Can't maintain, I'm feelin' crazy
I want you, baby, I want you, baby, I want you, baby
Baby, I'm hungover
Dizzy 'cause you got to my head
Wish you were here instead
Hungover
Can't focus on what I got to do
Can't stop thinkin' 'bout you
Baby, I'm hungover
Can't even think about the song
The list goes on and on
Hungover
Baby, you got me twisted
Hungover
Baby, I'm so sick, baby, I'm hungover
Dizzy out of my brain, goin' insane

Can't maintain, I'm feelin' crazy
(Hungover)
I want you, baby, I want you, baby, I want you, baby
(Baby, I'm hungover)
Dizzy out of my brain, I'm goin' insane
Can't maintain, I'm feelin' crazy
(Hungover)
I want you, baby, I want you, baby, I want you, baby
(Hungover)
Baby I'm
