

# Declare Independence

## Bjork

Declare independence  
Don't let them do that to you  
Declare independence  
Don't let them do that to you  
Justice

Declare independence  
Don't let them do that to you  
Declare independence  
Don't let them do that to you  
Justice

Start your own currency  
Make your own stamp  
Protect your language  
Justice

Declare independence  
Don't let them do that to you  
Declare independence  
Don't let them do that to you  
Make your own flag  
Make your own flag  
Make your own flag  
Make your own flag

Raise your flag higher, higher  
Raise your flag higher, higher  
Raise your flag higher, higher  
Raise your flag higher, higher  
Raise your flag higher, higher  
Raise your flag higher, higher  
Declare independence

Don't let them do that to you  
Declare independence  
Don't let them do that to you  
Damn colonists

Ignore their patronizing  
Tear off their blindfold  
Open their eyes  
Declare independence  
Don't let them do that to you  
Declare independence

Don't let them do that to you  
With a flag and a trumpet  
Go to the top  
Of your highest mountain  
And raise your flag higher, higher  
Raise your flag higher, higher  
Raise your flag higher, higher  
Raise your flag higher, higher  
Raise your flag higher, higher  
Raise your flag higher, higher  
Declare independence  
Don't let them do that to you  
Declare independence  
Don't let them do that to you  
Raise the flag
