

Who We Are (Saturday Night Mix)

Hope Partlow

I don't wanna put on my make up
Just like every girl in a magazine
That's not who I am when I wake up
That's not who I wanna be There's so much more to me than
Meets the eye
In this life
I know one thing It doesn't really matter what you wear
Let the people stare
'cause we are who we are who we are who we are
It doesn't really matter what car you drive
It's good to be alive
Yeah we are who we are who we are who we are
Who we are Tell me baby do I look like the real thing
Or would you change the color of my eyes
Tell me why my television's filling me with lies It doesn't really matter what you wear
Let the people stare
'cause we are who we are who we are who we are
It doesn't really matter what car you drive
It's good to be alive
Yeah we are who we are who we are who we are There is beauty on the inside
Yeah you're beautiful
All right! Though it doesn't really matter what you wear
Let the people stare
'cause we are who we are who we are who we are
It doesn't really matter what car you drive
It's good to be alive
Yeah we are who we are who we are who we are It doesn't really matter what you wear
Let the people stare (it's good to be alive good to be alive)
Doesn't really matter what car you drive
It's good to be alive (who we are)
Yeah we are who we are who we are who we are
Who we are (it's good to be alive good to be alive) When we are who we are
