Long Live the King

Narnia

I'm Not Looking Back
Yesterday's Far Away
And I Live For My King
New Chances Will Come
For This Lost Broken World
Holy Spirit Will Guide MeI Will Never Give Up
No, I'm Gonna Fight Til The EndI Wanna Live, Wanna Fight
Yeah, Long Live The King
I Wanna Live, Wanna Fight
Cause In The End We Will WinI Will Serve You My King
With My Heart And Soul
No One Can Stop Me Now
Wanna Sing It Out Loud
With My Flesh And Blood
A New Day's Breaking Through
