

# Long Live the King

## Narnia

I'm Not Looking Back  
Yesterday's Far Away  
And I Live For My King  
New Chances Will Come  
For This Lost Broken World  
Holy Spirit Will Guide Me I Will Never Give Up  
No, I'm Gonna Fight Til The End I Wanna Live, Wanna Fight  
Yeah, Long Live The King  
I Wanna Live, Wanna Fight  
Cause In The End We Will Win I Will Serve You My King  
With My Heart And Soul  
No One Can Stop Me Now  
Wanna Sing It Out Loud  
With My Flesh And Blood  
A New Day's Breaking Through
