## Fight Fire With Fire

## Metallica

Do unto others
As they've done to you

But what the hell is

This world coming to?Blow the universe

Into nothingness

Nuclear warfare

Shall lay us to restFight fire with fire

Ending is near

Fight fire with fire

Bursting with fearWe all shall dieTime is like a fuse

Short and burning fast

Armageddon's here

Like said in the pastFight fire with fire

Ending is near

Fight fire with fire

Bursting with fearWe all shall dieSoon to fill our lungs

The hot winds of death

The Gods are laughing

So take your last breathFight fire with fire

Ending is near

Fight fire with fire

Bursting with fearFight fire with fire

Fight fire with fire

Fight fire with fire

Fight fire with fireFight fire with fire

Fight fire with fire

Fight fire with fire

Fight fire with fire

**Fight**
