Ninepence Worth Of Walking

Duncan Browne

Monday, Tuesday, Wednesday, Thursday, Friday night
Come the day when I will disappear from sight
Goodbye's made easy said with sleepy eyes
Better a tear of truth than smiling liesSummer Monday, when I met you I was real
Now it's winter Friday, I no longer feel
Will you remember me as just a friend ?
Or see the start of spring and not the end ?Monday, Tuesday, Wednesday, Thursday, Friday night
Come the day when I will disappear from sight
Goodbye's made easy said with sleepy eyes
Better a tear of truth than smiling lies
If I didn't know you then, I know you now
And seeing doesn't last forever anyhow
So hold me close and kiss me with a smile
For I must leave you in a little whileWhen you wake on Monday morning, I'll be gone
Leaving with you memories of an autumn sun
If I stayed with you, we would drift apart
This way, I'm always with you in your heart
Monday, Tuesday, Wednesday, Thursday, Friday night
Come the day when I will disappear from sight
Goodbye's made easy said with sleepy eyes
Better a tear of truth than smiling lies
