

# Hold It Together

Nico & Vinz

We knew from the first day  
That we never should have messed around  
And I learned in the worst way  
That there's a line between right and wrong  
And girl, I'm sorry for dragging you into this  
You see, I worry that I'ma lose her now  
And it's been blurry, I sent my feelings away to mixed  
So let's just cut it after I leave tonight  
Just remember this  
I hope I see you again  
And I don't wanna call you a friend  
Got me thinkin' like  
Hold it together, hold it together  
Hold it together, hold it together but  
You're the one, you're the one, you're the one  
Got me singin' like  
Hold it together, hold it together  
Hold it together, hold it together but  
You're the one, you're the one  
Oh, perfect girl, wrong timing  
She the one, she the one I want  
I don't know where my mind went  
Oh, all I know that she gone  
I said I'm sorry for dragging you into this  
But I been going through some things right now  
I been going through some things right now  
I said I'm sorry  
I, I been going through some things right now  
I been going through some, I been going through some  
I, I know, I hope I see you again  
I said I hope I will see you again  
Yeah, yeah  
And I, I don't wanna call you a friend  
I said I don't wanna call you a friend  
Hold it together, hold it together  
Hold it together, hold it together but  
You're the one, you're the one, you're the one  
Got me singin' like  
Hold it together, hold it together  
Hold it together, hold it together but  
You're the one, you're the one  
I want  
Yeah, yeah, yeah  
Hold it together  
Oh yeah, yeah, yeah  
Well you're the one I want

Oh, my girl, what to do, what to do, oh
