

# I Love It

## KIDZ BOP Kids

I got this feeling on the summer day when you were gone  
You drove your car across the bridge.  
I watched, you let it swim.  
I threw your stuff into a bag and pushed it down the stairs.  
You drove your car across the bridge. I don't care, I love it.  
I don't care. I got this feeling on the summer day when you were gone.  
You drove your car across the bridge. I watched, you let it swim.  
I threw your stuff into a bag and pushed it down the stairs.  
You drove your car the bridge. I don't care, I love it.  
I don't care. You're on a different road, I'm in the milky way  
You want me down on earth, but I am up in space  
You're so, so hard to please, we gotta flip this switch  
You're from the 70's, but I'm a Kidz Bop Kid! I love it!  
I love it! I got this feeling on the summer day when you were gone.  
You drove your car across the bridge. I watched, you let it swim.  
I threw your stuff into a bag and pushed it down the stairs.  
You drove your car across the bridge. I don't care, I love it.  
I don't care, I love it, I love it.  
I don't care, I love it.  
I don't care. You're on a different road, I'm in the milky way  
You want me down on earth, but I am up in space  
You're so, so hard to please, we gotta flip this switch  
You're from the 70's, but I'm a Kidz Bop kid! I don't care, I love it.  
I don't care, I love it, I love it.  
I don't care, I love it.  
I don't care, I love it, I love it.  
I don't care.  
I love it.
