

# I Travelled

## Jully Black

i travelled the long road just so u would listen,  
i travelled the long road just me and my intuition,  
nobody seem to understand just y i left with the clothes on my back,  
they ask y such a drastic change i just know that my decision will put me on track

that's y i travelled the long road just so i can smile again,  
feel good inside again maybe even laugh again,  
heeeeey aye aye i'm gonna travel

they clothes so many doors on me so i climbed rite in the window,  
cause as long as i can breathe i c that my spirit is protectn me,  
they say that good things cum 2 those who have the patience 2 remain the same,  
the sacrifice u'll ever change just 2 b some temprary dats gonna change,

you gata travel the long road so u can smile again,  
feel good inside again maybe even laugh again,  
heeeeey aye aye u gata travel

just let ur heart carry u through cause it no's wat ur tryn 2 do,  
n love is sucha beautiful truth it gives strength just 2 make it through,  
wen ur walkn down da road of life keep ur head up n get ready 2 run,  
said ya probably have 2 feel da pain but its a sacrifice u choose if ur willn 2 make

u gata travel da long road so u can smile again,  
feel good inside again maybe even laugh again,  
heeeeey aye aye u gat 2 travel
