

# Red Rain

## III NiÃ±o

[Peter Gabriel cover]

Red rain is coming down  
Red rain  
Red rain is pouring down  
Pouring down all over me

I am standing up at the water's edge in my dream  
I cannot make a single sound as you scream  
It can't be that cold, the ground is still warm to touch  
This place is so quiet sensing that storm

Red rain is coming down  
Red rain  
Red rain is pouring down  
Pouring down all over me

Well I've seen them buried,  
In a sheltered place in this town  
They tell you that this rain can sting and look down  
La sangre ne estÃ¡ and I see no sign of pain  
Hey, no pain  
Seeing no rojo, I see no rain

Red rain is coming down  
Red rain  
Red rain is pouring down  
Pouring down all over me

Putting the pressure on much harder now  
Restar again and again  
Just let the red rain splash you  
Let the rain fall on your skin  
I've come to you defences down  
With the trust of a child

Red rain is coming down  
Red rain is coming down  
Red rain is pouring down all over me

I'm begging you

Red rain is coming down  
Red rain is coming down  
Red rain is coming down all over me  
I'm begging you

Red rain, coming down  
Red rain, coming down  
Red rain is coming down all over me  
I'm begging you
