

Sleep (Kid Loco & Doctor L. remix)

Bang Gang

Walking in my sleep at night
And you can't have me
Can't have me
EverWalking in my sleep
So you can't have me
Disappeared, gone
You have gone out of my dreamsWalking in my sleep
With my flesh in bed
Still you are there
Think you'll never let me beWalking in my sleep
So you can't have me
Disappeared, gone
You have gone out of my dreamsWalking in my sleep
With my flesh in bed
Still you are there
Just get the fuck out of my dreamsWalking in my sleep at night
And you can't have me
Can't have me
Ever
