

Grease (Reprise)

Frankie Valli & the Four Seasons

I solve my problems and I see the light
We got a lovin' thing we gotta feed it right
There ain't no danger we can go to far
We start believing now that we can be who we are
Grease is the word
They think our love is just a growing pain
Why don't they understand it's just a crying shame
Their lips are lying only real is real
We stop the fight right now we got to be what we feel
Grease is the word (its the word that you heard)
It's got groove it's got meaning
Grease is the time, is the place, is the motion
Grease is the way we are feeling
We take the pressure and we throw away
Conventionality belongs to yesterday
There is a chance that we can make it so far
We start believing now that we can be who we are
Grease is the word
It's got groove it's got meaning
Grease is the time, is the place, is the motion
Now Grease is the way we are feeling
This is a life of illusion
Wrapped up in trouble, laced with confusion
What are we doing here?
We take the pressure and we throw away
Conventionality belongs to yesterday
There is a chance that we can make it so far
We start believing now bet we can be who we are
Grease is the word
It's got groove it's got meaning
Grease is the time, is the place, is the motion
Grease is the way we are feeling
Grease is the word
It's got groove it's got meaning
Grease is the time, is the place, is the motion
Grease is the way we are feeling
Grease is the word
Is the word
Is the word
Is the word
Is the word
Is the word
Is the word
Is the word
Is the word
