Blurred Lines

Nic Hawk

[Intro]
Everybody get up
Everybody get up
Hey, hey, hey
Hey, hey, hey
Hey, hey, hey[Verse 1]
If you can't hear what I'm trying to say
If you can't read from the same page
Maybe I'm going deaf,
Maybe I'm going blind
Maybe I'm out of my mind
Everybody get up[Pre-chorus]
OK now he was close, tried to domesticate you
But you're an animal, baby, it's in your nature
Just let me liberate you
Hey, hey, hey
You don't need no papers
Hey, hey, hey
That man is not your maker[Chorus]
And that's why I'm gon' take a good girl
I know you want it
I know you want it
I know you want it
You're a good girl
Can't let it get past me
You're far from plastic
Talk about getting blasted
I hate these blurred lines
I know you want it
I know you want it
I know you want it
But you're a good girl
The way you grab me
Must wanna get nasty
Go ahead, get at me
[Pharrell:] Everybody get up[Verse 2]
What do they make dreams for
When you got them jeans on
What do we need steam for

You the hottest bitch in this place
I feel so lucky
Hey, hey, hey
You wanna hug me
Hey, hey, hey
What rhymes with hug me?
Hey, hey, hey[Pre-chorus]
OK now he was close, tried to domesticate you
But you're an animal, baby it's in your nature
Just let me liberate you
Hey, hey, hey
You don't need no papers
Hey, hey, hey
That man is not your maker
Hey, hey, hey[Chorus]
And that's why I'm gon' take a good girl
I know you want it
I know you want it
I know you want it
You're a good girl
Can't let it get past me
You're far from plastic
Talk about getting blasted
Everybody get up
I hate these blurred lines
I know you want it
I hate them lines
I know you want it
I hate them lines
I know you want it
But you're a good girl
The way you grab me
Must wanna get nasty
Go ahead, get at me[Verse 3]
One thing I ask of you
Let me be the one you back that ass to
Go, from Malibu, to Paris, boo
Yeah, I had a bitch, but she ain't bad as you
So hit me up when you pass through
I'll give you something big enough to tear your ass in two
Swag on, even when you dress casual
I mean it's almost unbearable
In a hundred years not dare, would I
Pull a Pharside let you pass me by
Nothing like your last guy, he too square for you

He don't smack that ass and pull your hair like that
So I just watch and wait for you to salute
But you didn't pick
Not many women can refuse this pimpin'
I'm a nice guy, but don't get it if you get with me[Bridge]
Shake the vibe, get down, get up
Do it like it hurt, like it hurt
What you don't like work?[Pre-chorus]
Baby can you breathe? I got this from Jamaica
It always works for me, Dakota to Decatur, uh huh
No more pretending
Hey, hey, hey
Cause now you winning
Hey, hey, hey
Here's our beginning[Chorus]
I always wanted a good girl
(Everybody get up)
I know you want it
I know you want it
I know you want it
You're a good girl
Can't let it get past me
You're far from plastic
Talk about getting blasted
I hate these blurred lines
(Everybody get up)
I know you want it
I know you want it
I know you want it
But you're a good girl
The way you grab me
Must wanna get nasty
Go ahead, get at me[Outro]
Everybody get up
Everybody get up
Hey, hey, hey
Hey, hey, hey
Hey, hey, hey
