Ye Of Little Faith

Yolanda Adams

Oh, I see those hidden tears
And I know each time your heart bleeds
Your desires have not been ignored
Ye of little faith you must believe

That I came to give you life
And a life more abundantly
Seek ye first the things which are of God
Ye of little faith you must believe

You must know I love you so
So much more than you will ever, ever know
For my promises, my promises, promises are true
And everything I say, I can do

I will do I will do I will do
I can do I can do I can do
Yeah

Oh I see those hidden tears
Y se cada vez que sangra su corazÃ³n
Your desires have not been ignored
Ustedes los de poca fe beben creer

That I came to give you life
Y viven mÃ¡s abundante
Seek ye first the things which are of God
Ustedes los de poca fe beben creer

Ye of little faith you must believe
Ustedes los de poca fe beben creer
Ye of little faith you must believe

You must believe
Beben creer, beben creer
You must believe all things you must believe
You must believe, you must believe

You must believe, you must believe
Beben creer

You must believe
Beben creer

You must believe that I can do all things
I can do all things because
I am God, I am Light
I am God, I am Jah

I know what to do when to do how to do
Why you need me to do what you want me to do, I know
I just need you to believe, I just need you to believe
Beben creer, beben creer, beben creer, beben creer

You need to believe, you need to believe
You need to believe that
I can do all things, I can do all things
I can do all things, I can do all things
I can do all things

Todas cosas, todas cosas
Todas cosas all things
All things, all things

Believe on me, receive from me
Realize that I know what's best for you
But you must exercise your faith and

Put your trust in me, put your trust
Put your trust in me, put your trust
Put your trust in me, I'll do it
Put your trust in me, I'll do it

But you must, you must have faith
You must have faith, you must have faith
You must have faith, you must have faith
You must have faith, you must have faith

I wanna do what you want me to do
I wanna do what you need me to do
'Cause I can do all things to help you
La, la, la, la, la, la, la, la, la, la, la
