Shutters and Boards

Jimmy Dean

(Shutters and boards cover the windows of the house where we used to live)
All I have left is a heart full of sorrow since she said she'd never forgiveThe house that we've built was once filled with laughter
But I changed that laughter to tears
And now I must live in a world without sunshine oh how I wish you were here
Shutters and boards...Last night I dreamed that you came to our house and took an old book from the shelf
If you'll open the shutters I'll tear down the boards
Cause I drove every nail by myself
Shutters and boards...
All I have left is a heart full of sorrow since she said she'd never forgive
