# First Date

## Edvin Marton

First Date, Electricity
When you walk in, You suck my circuitry
Back it up, With attitude
When people sweat it out, You always Play It cool
I think I know You, I'm gonna bet
That you like Superchunk, And Joan Jett
Get your quick fix, In my car
You got a sweet tooth, And I'm your chocolate barAnd it goes on and on and on and on,
on and on and on.And I say:
Heyyyyyyyyyy do you kiss on the first date (X 2)
Cause I do, cause I do (X 5)New York doll, On the catwalk
I like to play it discreet, You only wanna shock
Spray-paint your, tight jeans on
And cruise yourself, it don't feel wrong
So take a chance, Give me a shot
You think I'm bluffing? I think I'm not
Get on your high heels, give me a heart attack
I got a question, for your sweet assAnd it goes on and on and on and on
On and on and onAnd I say
Heyyyyyyyyyy do you kiss on the first date (x4)
Cause I do, Do you too? Wanna do it with you
If you do, would you do what i do?
Uh-woo-hoo-hooWell hello baby you look so hot tonight!
Can I hold your hand? Well thank you.
Now this is what we're gonna do on our date today.
We're gonna do all the things all the couples like to do.
We're gonna go to a movie, we're gonna have some dinner, take a walk,
look at the moonlight, Anything you want but baby I got a question:Do you kiss on the first date?
Heyyyyyyyyyy let's do it on the first date?
Heyyyyyyyyyy what do you do on the first date?
Heyyyyyyyyyy do you kiss on the first date?
Cause I do, cause I do, cause I do,
Cause I do, cause I do, cause I do,
Wuh-hoo-hoo!
