Pearl

The Mamas & The Papas

First star I see tonight,
I wish I may, I wish I might
Have the wish I wish tonight.A banker's daughter or a runaway girl,
A little lady or a honky-tonk Pearl
Has to find someplace in this world
Where she feels at home.A banker's daughter is so hard to deceive
A little lady is so hard to please
Honky-tonk Pearl wears her heart on her sleeve,
And her heart will not grow cold.First star I see tonight,
I wish I may, I wish I might
Have the wish I wish tonight.Here's a wish for a runaway girl
Here's a prayer for honky-tonk Pearl
Hope she finds someplace outta this world
Where she feels at home.First star I see tonight,
I wish I may, I wish I might...
First star (first star)
I see tonight (I see tonight)
I wish I may, I wish I might...
I wish I may, I wish I might
Have the wish I wish tonight.
