Skin This Cat

Scissor Sisters

You got my good good lovin' within your grasp
Don't let it throw you

There's a million million ways to skin this cat
So let me show you.

I got a brand new hook to hang your hat.
Tell me baby, baby just where you at.
There's a million ways, ways to skin this cat.
So let me show you.

And if you get it right,
Get it right.
I'll love you til my ninth life.
Get it right, get it right.
I'll love you til my ninth life.

My beauty was a beast before I got to know you.
This kitten has a lion's roar
And she will roll you.
You're not the first tom to walk my floor.
So get around the block a few times more.

And keep scratch scratchin' at my back door.
And I will show you.

But if you get it right,
Get it right.
I'll love you til my ninth life.
Get it right, get it right.
I'll love you til my ninth life.

Come here kitty, kitty, skin this cat.
Come here kitty, kitty, skin this cat.
Come here kitty, kitty, skin this cat.
Come here kitty, kitty, skin this cat.

Come here kitty, kitty, skin this cat.
Come here kitty, kitty, skin this cat.
Come here kitty, kitty, skin this cat.

Come here kitty, kitty, skin this cat.
Come here kitty, kitty, skin this cat.
Come here kitty, kitty, skin this cat.
Come here kitty, kitty, skin this cat.
Come here kitty, kitty, skin this cat.
