

What Did I Do? / God As My Witness

Foo Fighters

There you go again, putting words into my mouth
This one's for you to know, and me to find out
All that trouble you went about
How you gonna know till you hear it out loud?

Stop, ask myself, what did I do?
What did I do to deserve you?
come on, tell me now
What did I do?
What did I do to deserve you?

I heard every one coming from the 13th floor
Your song came along, heard the voices tell me to save yourself
I'll behave yourself

I start ask myself
What can I do?
What can I do to preserve you?
Go on tell me now
What can I do?
What can I do to conserve you?

Your name, your fame
I can see the writing on the wall
C'mon, flip a coin
There it's gonna tell you to save yourself
I'll behave yourself

So here I go again, putting words into your mouth
This one's for me to know, and you to find out
All that trouble and I went about
How you gonna know till you hear it out loud?

All your heroes, where are they now?
I'm lost, deliver me
I cross the river finally

God as my witness
It's gonna heal my soul tonight
God as my witness

Itâ€™s gonna heal my soul tonight
God as my witness
Itâ€™s gonna heal my soul tonight
God as my witness
Itâ€™s gonna heal my soul tonight
God as my witness
Itâ€™s gonna heal my soul tonight
