

# Look Back

## The Flipsides

Where do you wanna go  
Now that we're apart and all alone  
'Cause we can't go back  
No we can't go back  
What do I have to say  
To make up for all my dumb mistakes  
'Cause I can't take back  
No I can't take back  
You treated me so bad  
So now that we're apart  
How could you even be mad? Remember better days  
All those memories I won't erase  
But I won't look back  
No I won't look back  
Efforts and hopes I left  
In a home where my whole life was kept  
At least you're off my back  
Now you're off my back  
You treated me so bad  
So now that we're apart  
How could you even be mad? You'd want to fight  
Most every night  
Now that we're done  
How will you have fun? Where are you gonna go?  
Where are you gonna go?  
Where are you gonna go...
