Lighthouse

Hearts & Colors

Looking back when we were younger
Sneaking out to feed the hunger
Oh, nobody knows
Getting caught behind the station
Remember that policemen chased us
Oh, nobody knows

We have come so far
We can't turn back now
Let me walk you down this road

Follow me, follow me, when it's dark out
I will be, i will be your lighthouse
And if you're lost, oh
I'll lead you back home
Follow me, follow me

There was a time you told me secrets
But you were scared I wouldn't keep them
Oh, but nobody knows
We used to smoke and watch the airplanes
Making out as the ground shakes
Oh, still nobody knows

We have come so far
We can't turn back now
Let me walk you down this road

Follow me, follow me, when it's dark out
I will be, I will be your lighthouse
And if you're lost, oh
I'll lead you back home
Follow me, follow me
