

Release Me

[Lyle Lovett](#)

[Originally by Eddie Miller] Please release me, let me go

For I don't love you anymore
To waste our lifes would be a sin
Release me and let me love again
I have found a new love, dear
And I will always want her near
Her lips are warm while yours are cold
Release me my darling, let me go

Please release me, let me go
For I don't love you anymore
To waste my life would be a sin
So release me and let me love again
Please relaese me can't you see
You'd be a fool to cling to me
To live a life to bring us pain
So release me and let me love again
Let me love
Let me go
