

# Innocent Exile

## Iron Maiden

My life is so empty, nothing to live for  
My mind is all confusion cause I defied the law  
When you werent there to help me, I lost my mind and ran  
I never had no trouble before this all began, yeahMy life is so empty, nothing to live for  
My mind is all confusion cause I defied the law  
When you werent there to help me, I lost my mind and ran  
I never had no trouble before this all began, yeahIm running away, no where to go  
Im lost and tired and I just dont know, yeah  
They say I killed a woman, they know it isnt true  
Theyre just trying to frame me, and all because of you, yeahOh yeah
