What About the Lonely

Sham 69

Lonely
What about the people that are lonely
Some are young and some are old
Some of them are locked awayWhat about the people that are lonely
You don't really give a shit
People that you'll never meetWhat about the lonely
There's so many out there
What about the lonely
There's so many out thereYou never had no pity
You only take the mickey
Just remember it could have been you
