

Demons With Ryu

Emmure

Tatsumaki Senpuukyaku I am no one
I am the fighter with no name
I am no one
I've been training everyday Tatsumaki Senpuukyaku I am no one
I am the walking vagabond
I am no one
This devil in me lives
This devil in me lives This never ending conflict
This never ending conflict
This never ending conflict is all I have I've been spending everyday under waterfalls
And yet I still cannot become
The person I've been dreaming of
I wonder if I've been wasting my time
This conflict never ends and still I try Shoryuken
Shoryuken
Shoryuken This never ending conflict
This never ending conflict
This never ending conflict is all I have
And still I try Round one, fight
Tatsumaki Senpuukyaku
