

Stellenbosch

Jan Bloukaas

Aye

Uber tot n lapa
Drink robotte en zappa
ons catwalk daarna Tinroof toe but my
English isn't that vars
Ons kruip toe in by Terrace want
Jullian's was te vol
Eindig op toe binne New Bar
my, my bru dis Stellenbosch

Dis Stellenbosh x3

Terug in die ry by Catwalk en die
bouncer vra my ID
'n Boertjie wat wil rook vra my "Bru do
you have a light please?"
Die barman se vir my die Vodka-Special is tot
11 uur, ek sÃ^a toe "Nee dankie my ou eks nou
net lus vir 'n biertjie."

En ons uber tot n lapa
Drink Robotte en Zappa
Ons catwalk daarna Tinroof toe but
my English isn't that vars
Ons kruip toe in by Terrace
want Jullian's was te vol, eindig op
toe binne Newbar my, my bru
dis Stellenbosch (ah ah)
my bru dis Stellenbosch (aye aye)
ah ah, ah, dis Stellenbosch
ah ah, my bry dis Stellenbosch
aye aye

(whiskey, vodka, tequila, my bru dis Stellenbosch)

GO!

(whiskey, vodka, tequila, my bru dis Stellenbosch)

GO!
(whiskey, vodka, tequila, my bru dis Stellenbosch)
GO!
(whiskey, vodka, tequila, my bru dis Stellenbosch)
