

# Ratfinks, Suicide Tanks And Cannibal Girls

## White Zombie

Unlike the devil  
Ive never seen the face of god  
Sweet Mr. Jesus  
Infected on my skin Demons surround you  
I'm crawlin' on the ground  
Shame for another  
Another taste of life It's alive, oh, everybody  
It's alive, oh, the creepers call me  
It's alive, oh, everybody  
It's alive, oh, the creepers call me Dead parts surround you  
Draw me forever black  
[Incomprehensible]  
He's falling on the way Out with another  
A falling wall of sound  
Say that you love it  
Dont make me turn it down It's alive, oh, everybody  
It's alive, oh, the creepers call me  
It's alive, oh, everybody  
It's alive, oh, the creepers call me Born to kill  
Black, blue and bloody fingers  
Hong Kong hell  
Been time to face this wheel Now filthy smooth  
Ill tell the pussy cats  
And ultra pain  
Gonna blow it all away It's alive, oh, everybody  
It's alive, oh, the creepers call me  
It's alive, oh, everybody  
It's alive, oh, the creepers call me
