Feedback Out On Highway 101

Van Morrison

Feedback out on Highway 101
Feedback out on Highway 101
Cruisin' easy and your favorite DJ havin' fun
Look out, stand back
There's a fool out on the road
Look out, stand back
There's a fool out on the road
Had one too many drinks
And he just may overload
Stand back
Night time cruisin' 'long,
Cruisin' along

Night time cruisin',
Night time cruisin' along
You don't see the setting sun
(Even 'fore the mornin' come [unverified]
Feedback, feedback out on Highway 101
Feedback, feedback, feedback
Feedback out on Highway 101
Cruisin' easy and your favorite DJ is havin' fun
Feedback, feedback
Feedback, feedback
Feedback out on highway, Highway 101
